**Your garden waste collection service calendar 2019/20**

This calendar highlights the weeks your bins will be emptied in Mansfield district.

Your garden waste will be collected either with your blue or green bin. This calendar shows the weekly collection cycle. Check your bin day online using your postcode at [www.mansfield.gov.uk/bindays](http://www.mansfield.gov.uk/bindays).

Please mark your house number clearly on your bin as you will not receive a sticker this year. Ensure your bin is put out by 6.30am on the day of collection and your bin lid is down.

Please see the following calendar:
